Ultimate Support Center

Picote Institute includes global training centers, as well as online learning and resources. Register for free at picoteinstitute.com to access courses, technical videos, direct contact with Picote experts and a wide range of useful resources. Face-to-face trainings are available at our dedicated US Training Center in Phoenix, Arizona.

Hands-On Training

Picote offers many training opportunities to fit your needs. We emphasize a hands-on approach to training to ensure you gain the skills and confidence needed to get the most out of your Picote equipment and tooling. At the US Training Center you will train and work with a group of experts with extensive trenchless experience. Visit the Picote showroom and learn all about our tools, machines and solutions, as well as the newest innovations Picote has to offer.

On Site Support

Need some help on site? Our highly experienced team can provide needed support wherever necessary. If you are new to in-house lining or brush coating, we can teach you while we work alongside you. Cost: \$1450 per on-site day (up to 8 hours per day/addl. \$200 per hr.)+(travel & accommodations). Costs quoted, approved, and paid prior to booking.

Picote Consulting

Our Team of experts can help you, from winning a bid, all the way through the initial planning to work phases and post-project management. Sharing our extensive knowledge, we will build a template that you can utilize on future jobs, providing you with the tools to grow your business.

Picote Brush Coating™ Certified Installer Course

(2 days) Become a Picote Certified Installer. Coverage includes pipe preparation, setup & operation, troubleshooting, installation logs, and more! Once certified, you can offer a manufacturer's 10-year product warranty. **Cost:** Groups up to 3 = \$2,400, groups of 4-6' an addl. \$200 per person.

Connection Collar Course

(1 day) Includes a hands-on walk through of all equipment and parts including assembly of the Connection Collar System, wet-out, installation, setting up optional steam curing with the Picote Midi Steamer, and post-curing removal. **Cost:** Groups up to 3 = \$1,200, groups of 4-6' an addl. \$100 per person.

Virtual Training Topics

A convenient option for any size team. Save on travel costs and time with a virtual training course. Sessions are recorded and a copy available after the training. **Cost:** General: \$500 up to 4 hours, Picote Brush Coating™ \$650 up to 4 hours

Cutting & Cleaning Course

(2 days): Review of Picote Millers, equipment setup & maintenance, cleaning and reinstatement tooling with an emphasis on proper operating techniques and choosing the right tools to meet project needs. Also covers removing failed CIPP liners & concrete/grout, cleaning P-traps & 90's using a variety of Millers & tooling (Smart Spider, Twister Metal Grinder, Pipe Cutters, Grabbers). **Cost:** Groups up to 3 = \$2,400, groups of 4-6' an addl. \$200 per person.

Maxi Power+ Certification Course

(1 day) Picote's most powerful Miller designed for even higher performance cleaning, lining removal, and reinstatements in larger diameter pipes. Learn how to setup and safely operate the Maxi Power+, connect to the Picote Generator, and choose and utilize the most appropriate tooling for cleaning, reinstatements, concrete/grout removal, and failed liner removal. **Cost:** Groups up to 3 = \$1,200, groups of 4-6' an addl. \$100 per person.
