

# MAXI COATING PUMP

*Extend the life of pipes with the Picote Brush Coating™ System*

The Picote Brush Coating™ system is a simple, fast, and practical coating solution used to renovate stack pipes, drains, sewers, water pipes\*, electrical conduits, and more.

Clean the pipe well and apply two coats for a corrosion barrier. Alternatively, apply additional coats of resin to form a new, seamless semi-structural rehabilitation that should last 30-50 years.\*

Can be combined with several different Miller models to meet project needs based on pipe length & diameter.

For coating and degreasing in DN70-300 (3-12") diameter pipes up to 39m (128') in length.

## USES AND BENEFITS

- Controls the flow of Picote Brush Coating™ DC1000E, Dual Color Epoxy Resin.
- Adjustable pump speed & direction.
- Hand-held locking operator control trigger. When the button is pushed the pump is engaged and will operate until pressed again.
- Combine and secure Maxi Coating Pump to Midi Cleaner, Super Midi, or Maxi Miller frames  
*(When used with Midi Cleaner or Super Midi, add the Maxi Pump Bracket (PN9550004000)).*
- Can also be used to remove fats, oils, and grease from pipes by pumping degreaser down the pipe to assist with cleaning.
- Includes Maxi Pumping Hose Package, 10x Resin Cups, and 2 Hose Clamps.
- \*NSF61 Certified for DN100 (4") and larger pipes  
*(final coat in white).*

### Technical Specifications

Pipe Diameters	DN70-300 (3-12")
Max Range	39m (128')
Power	UK/US: 110V, 15 Amp EU: 220V, 16 Amp
Output (kw)	0.25
Weight	23kg (51 lbs)
Size	66x43x55 cm 26x16.9x21.7"

### Optional Picote Heater

Decrease time between coats by 30%. Includes 5m (16.4') Heater Hose.

Air outlet temperature is limited to +55°C (131°F). Automatic thermal cut-out in both motor and heating element.

## More Info/Guides/Technical Support:

- Visit [picoteinstitute.com](http://picoteinstitute.com) for e-learning courses, educational videos, quick guides, & manuals.
- For more information on products, spare parts, assembly and operation, consult the Picote Operation & Safety Manual or contact Picote Technical Support.
- For hands-on product training, Picote operates training centers in USA, UK, and Finland.
