

PICOTE MINI REEL BRAKE

Easily Secure Your Mini Cleaner or Mini Miller Reel

Secure your Mini Cleaner or Mini Miller reel into position with the Mini Reel Brake for additional **convenience and security** during transportation.

As part of our continued commitment to product improvements, the new Mini Reel Brake upgrade will be included as a **standard feature** on new machines starting in December 2020.

Existing Micro Millers, Mini Millers and Mini Cleaners can be quickly upgraded with **Mini Reel Brake upgrade package***. Now available to order!

USES, BENEFITS, & PRODUCTS

- For all Mini Miller & Mini Cleaner models. With Mini Reel Brake, easily lock your Miller's reel securely in position providing additional convenience and security during transportation.
- Easy to install. Upgrade package includes installation instructions and takes just minutes to complete.
- Lightweight and convenient.
- Improved safety and control.
- Available to order now!

**Available for Millers manufactured after 2015.*
