

## Manufacturer's Warranty

### Picote Brush Coating™ System for Picote Dual-Colour 100% Solids Epoxy Resin (DC1000E)

Picote Solutions Inc., hereby warrants the Picote Dual-Colour 100% Solids Epoxy Resin (DC1000E) epoxy resin, where installed and utilised in accordance with and for the purposes described in the specifications for the Picote Brush Coating™ System shall, subject to the provisions herein, prevent water infiltration, restore water tightness, prohibit internal corrosion, and provide a surface lining resistant to sewer gas penetration for the structure/surface in which it is installed. Picote Solutions Inc. shall not be liable or responsible under this warranty for any breach caused by fire, war, earthquake or other earth movement, acts of God, negligence, abuse, alteration, or the presence of sewer gasses or chemicals not typically found in sewer collection systems or from any defect in the design of the pump station, lift station, chamber or structure, or from the failure to properly inspect, service and maintain the structure. Furthermore, the Warranty is strictly limited to a guarantee that DC1000E materials serve the purposes stated above, when utilised in accordance with Picote specific instructions and training, and when all appropriate surface and material preparations have taken place. Thus the guarantee does not include or warrant any aspect of contractor/third party usage and/or installation of DC1000E materials, regardless of any failings which may directly result from their involvement. Picote Solutions Inc. obligation under this warranty shall further be limited to the repair or replacement of the installed product, which an examination shall disclose to Picote Solutions Inc. satisfaction to be defective. Warranty on each system is for the time duration stated herein.

**Picote Solutions Inc. further warrants that the DC1000E resin system will not deteriorate to a point of product failure, i.e.: crack, peel or delaminate, for a period of TEN years.**

The warranty is only valid where the installer confirms that:
